Best of Luck to Cast and Crew!

Country Meats &
 Mini-Market

The Cast and Crew of Noir Suspicions would like to thank Bea and Robert and Country Meats & Mini Market for their support of the Deep River Players throughout the years. We would also like to express our sympathy on the loss of their business due to arson on Easter weekend.

Director's Notes:

Welcome back to the Café Noir, a little bar in the Caribbean stuck in the black and white era of the 1940s.

It's been great having some of the original cast returning to their roles from two years ago. Thanks to Kyle, Julie, Jeremy and Greg for picking up exactly where we left off, and to Ike, Phyllis and Karen for jumping into their new roles with fun and enthusiasm.

The resulting cast has really come together for a great production. It's been a privilege to work with such a talented group of actors.

Behind the scenes, the production crew has worked tirelessly to keep things running smoothly. Their efforts and hard work are greatly appreciated.

A special thanks to my Stage Manager Sam, filling in wherever and whenever needed as well as contributing some great ideas to the show.

Long live "le pamplemousse".

So sit back, relax, see if you can figure out whodunit and count the many references to "Casablanca". Enjoy the show!
