Director's Notes:

Welcome to Café Noir, a little bar in the Caribbean stuck in the black and white era of the 1940s. The creation of this unique cafe began a year ago at a rehearsal for Steel Magnolias when Phyllis commented, "Wendy, you should direct a show." And thus began the endeavor of dealing with the murder, intrigue, music, comedy and all around fun that has become "Murder at Café Noir".

It has been a pleasure to work with the gifted individuals that make up the cast and crew of this show. Café Noir has come alive with the vast and diverse experience of the cast, who each brought fresh views and ideas to every rehearsal and to the final production. The efforts of an amazing crew refined the image of Café Noir by creating an atmosphere where everything (sets, costumes, goldfish, chairs, etc) is black, white and gray.

Tonight, sit back, relax, and see if you can figure out "whodunit". I hope you enjoy your stay here at Café Noir.

Wendy Wright

The Cast

Rick Archer:

Kyle Wilkes

My name is Richard Archer, and I'm a private dick. My speciality is cases involving sassy dames.

Cairo:

Greg Geisler

I'm Anthony Cairo - sly self-centred and a whole lot of sleazy. I'm a legitimate business man, if legitimate business is conducted from the shadows. When you deal with Anthony Cairo, your business is always in the black...market that is.

Gutterman:

Ike Dimayuga

I am Simon Gutterman, lawyer par excellence, defender of the unjustly accused, for the right price. There's only one thing that is more important to me than the law, and that is a true lady.

Thursby/Vangilder/Rigfield:

Jeremy Whitlock

Thursby is a two-bit gun-runner. Vangilder is a two-bit smuggler. Rigfield is a two-bit (deputy) police inspector. Together, their six bits don't add up to much.

Sheila:

Julie Fillion

I'm Sheila an irreverent young lady with a chesty attitude and a professional interest in wealthy men. I'm seeking a protector-hero, even if I might not know it. My weapon of choice is seduction.

Mme Toureau:

Mona Primeau

I'm Mme Toureau and I like to help people forget who they are and what they have done. Caribbean booze helps me forget.

Maria:

Lise Goyette

I am Maria LaRue, a voodoo priestess, who uses her religion to work spells and curses. These can work for you too!
