## Note from our Director

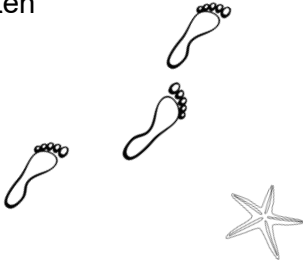

When I choose a script, I look for something that will bring joy to our hearts and create “a fire within my soul”. *Mamma Mia!* certainly fits the bill.

I am always swept away by what our small community group can accomplish. The cast, crew, and many other volunteers have worked tirelessly to bring this musical to life for you amidst laughter, excitement, and the pure joy of working together. “What a joy, what a life, what a chance” I have been given to be part of this family of amazing people.

Thank you to the dedicated production crew working efficiently in the background. Thank you to the wonderful cast who contributed many of their own ideas. Thank you to our brilliant music director and band. Thank you, the audience, for bringing your energy to the show.

I hope you have the “time of your life” on your trip to Kalokairi, Greece. Please feel free to be a dancing queen by singing along and dancing!

Kristen
