

BAMBI WITH WINGS

Dan & Jane Vachon

PS

Look at that girl just look at her beam
She's something to look at all peaches and cream
Glowin' like the moon on a warm harvest night
You know Howard I look good in white

How

He's a deer in the headlights is all I can say
Blinded by love he just can't look away
And you know what happens to them poor little things
Valley Stew - Bambi with Wings

PS

A warm little cottage all trim and quaint
Curtains hung and a fresh coat of paint

How

A nice new home and someone to clean it
Doesn't sound too bad - I might actually mean it

How

She cooks and cleans & keeps everything neat
She does the laundry he puts up his feet

PS

They'll spend time together just wait and see
Then after a while maybe a baby or three

Both

He's a deer in the headlights is all we can say
Blinded by love he just can't look away
And you know what happens to them poor little things
Valley Stew - Bambi with Wings

How

Ya they'll have kids and I guess that just fine
If he don't care when they holler or whine

PS

Spending their lives taking care of each other
Howard don't you think I'd make a wonderful mother?

Both:

He's a deer in the headlights is all we can say
Blinded by love he just can't look away
And you know what happens to them poor little things
Valley Stew - Bambi with Wings

PS

Oh come on be honest what da ya say
To have someone at home at the end of the day
A hot meal waiting with a nice warm embrace
A wife with a loving smile on her face?

How

Well that's sumpin to think on I might agree
Come a little closer (I'll) be plain as can be
And I'll tell you why I don't need no wife
Cause I'm happy right now – I GOT A LIFE

HOWARD YOU COWARD – YOUR SO STUPID
GET BACK HERE HOWARD – I'M TELLING YOUR MOTHER!
I'M GOING TO PUT THE BABISH TO YOU, JUST YOU WAIT
HOWARD!!!
